

## **AWARENESS PROGRAMME ON RIGHT TO INFORMATION ACT 2005**

A session to spread the awareness about the Right to Information Act, 2005 and its importance was conducted for the employees / outsourcing staff of the Academy. In this session the staff were made aware about the RTI Act, 2005 and the Govt. of India portal through which they can seek information. The information can be sought directly from the concerned department by writing simple applications.

The Resource person was thanked to disseminate the awareness about RTI and all the participants for attending and actively participating in the discussion at the end.
